E. CONTRACTS

E.1 CONTRACT APPROVAL FORM

- Faculty/staff do not have authorization to sign any agreements or contracts binding the college or university; only the BOT may do so.
- All agreements/contracts must be sent to the General Counsel for review and BOT approval.
- The new Contract Approval Form includes a checklist that must be completed prior to submission to the General Counsel for review and BOT signature.
- The new Contract Approval Form and Checklist is available online at: [contract approval form amended 021523 form.pdf \(sc.edu\)](#)

E.2 AUTHORITY TO SIGN CONTRACTS

Please refer to [BTRU 1.04](#) Authority to Sign Contracts, for complete details.

It is the express policy of the Board of Trustees that no oral contracts or agreements shall be binding on the University of South Carolina.

The President of the University and the Secretary of the Board of Trustees are delegated authority to sign contracts and agreements that are binding upon the University, and no contract or agreement shall become binding upon the University unless it is in writing and contains the signature of the President or the Secretary of the Board of Trustees, except:

- The Secretary of the Board of Trustees is authorized to appoint in writing an Assistant Secretary or Secretaries to perform this duty in the absence of the Secretary or at the Secretary's discretion
- The Chancellors of the four-year campuses and Palmetto College are authorized to sign contracts and agreements on behalf of their respective campuses with a total value not to exceed \$25,000, excepting research and research-related agreements, and employment agreements
- The Chancellors of the four-year campuses and Palmetto College are authorized to sign contracts and agreements engaging their respective campuses to participate in intercollegiate athletics contests
- The USC-Columbia Athletics Director has the authority to sign agreements engaging the University of South Carolina to participate in intercollegiate athletics contests
- The Vice President for Research has the authority to sign all research and research-related agreements
- The Director of Purchasing has the authority to sign official University of South Carolina purchase orders, provided such purchase orders comply with the provisions of the South Carolina Consolidated Procurement Code
- The General Counsel has the authority to sign documents related to administrative or judicial proceedings, or matters undertaken to protect the rights or assets of the University of South Carolina, excepting settlement agreements.

- Academic deans, upon the approval of the Vice President for Academic Affairs and Provost, have the authority to sign offer letters of employment for faculty; and division heads, upon the approval of the President or Vice President responsible for such area, have the authority to sign offer letters of employment for classified and unclassified positions.

Special ventures, exchanges and agreements to provide academic services must be viewed as contracts and any such agreement must be submitted to the Vice President for Academic Affairs and Provost for review prior to execution as provided for in BTRU 1.04.

All employment agreements for athletics department administrators in excess of one year require the approval of a majority of the entire Board of Trustees.

Contracts and agreements with a total value of \$250,000 to \$750,000 require the approval of a majority of the Executive Committee of the Board of Trustees. Contracts and agreements including coaches' contracts with a total value in excess of \$750,000 require the approval of a majority of the Executive Committee and a majority of the Board of Trustees.

Except as provided in the University's policy BTRU 1.04, no element of the institution is authorized to prepare contracts and agreements and offer the same for acceptance by outside (non-University) parties without prior review of such contracts and agreements by the Office of the General Counsel.

The Office of the General Counsel shall maintain a file containing all original contracts and agreements or duplicate originals as the case may be to which the University is a party; provided, however, the Office of Research shall be the repository of all research and research-related agreements signed by the Vice President for Research.

DIRECTLY FROM USC PURCHASING DEPT: Software products generally require the user to agree to certain license terms and conditions, which are contractual in nature and govern the transaction. In many instances, these provisions conflict with South Carolina law and subject the university to unacceptable risk and liability. In order to protect the institution from such contractual risks, the Board of Trustees adopted university policy BTRU 1.04, "Authority to Sign Contracts," which provides that with limited exceptions, only the Secretary of the Board of Trustees and the President are delegated authority to sign contracts and agreements which are binding upon the university. The policy further provides that all contracts and agreements on behalf of the university, **regardless of cost or if free-of-charge**, must be reviewed and approved in advance by the Office of General Counsel before execution. Thus, for example, no university employee has the authority to go online to acquire a software product and agree to the associated terms and conditions by clicking "agree."

F. COPIERS & COPY CENTER

- Copiers are typically password coded to your birth month and day. For issues contact cogdell@hrsm.sc.edu or cr37@mailbox.sc.edu.
- Copiers are for university-related purposes only.
- Departmental copiers are not to be used for large jobs; tests, class handouts, etc.

- Please do not send students with your requests, we cannot accept jobs from students without charging them directly.
- Copy Center hours during the academic year: Monday – Friday 9:00 am to 3:00 pm. Summer hours fluctuate. Please provide materials well in advance of date required. Copy Center e-mail: hrsmcopy@mailbox.sc.edu

G. CURRICULUM

- Curriculum changes, including [Course Actions](#) and [Program Actions](#), begin at the department level. Proponents of a course action should consult with their curriculum committee representative, department chair and Associate Dean of Academic Programs.
- NOTE that some curriculum actions require [Pre-Authorization](#) from the Provost.
- Most curriculum actions must be approved at the unit level first. The proponent of the action must submit the proposal in the Academic Proposal System (APPS) after the above approval has been obtained.
- Once in APPS the proposal is voted on by the college.
- If approved, the proposed action moves to the Faculty Senate's curriculum sub-committee and then to the full Faculty Senate for approval. (See ACAF 2.03 <http://www.sc.edu/policies/ppm/acaf203.pdf>)

H. EMERGENCY PREPAREDNESS *(Print this page for desktop reference)*

- Books may be ordered through your departmental administrative coordinator using their state issued purchasing card.
- Textbooks for classes should be ordered online through the bookstore at <https://aip.bncollege.com/app/>. - Memberships in professional organizations may be paid through your departmental administrative coordinator on their state issued purchasing card. All Memberships require a written justification that the memberships have no personal gain associated with them and they benefit the University.
- Reserved parking for guest speakers may be requested through your departmental administrative coordinator or by directly contacting Kiara Hare in the Dean's Suite.
- It is highly suggested that HRSM directors submit all Electronic Expenditure Requests for product orders to their designated administrative coordinator at least six to eight weeks ahead of any scheduled event dates to allow time for prior approval, payment processing, production time, and shipping/receiving of products.

- You should always obtain supervisory approval before taking any type of leave.

 - All 11 month employees are paid over 12 months. They are eligible for grant and ECOM pay during their scheduled month off from work.
 - If additional days are needed for personal, medical or other issues, approval from your superior prior to taking the day is required and days off outside the contract dates may be adjusted.

 - Leave must be approved by your superior prior to taking leave.
 - Leave must also be recorded in Time and Absence on a timely basis.

Research funds allocated in your offer letter must be used within two years of your start date, unless permission is obtained, in writing, from the Dean.

N. PARKING AT USC

- You must have a valid permit to use campus parking spaces. This applies to all areas except visitor/metered spots. For additional information regarding permits, garages, and lots, go online to http://www.sc.edu/about/offices_and_divisions/parking/index.php.
- **Visitor Passes** for HTMT, RETL and SPTE guests are available, with approval from the department chair/director, through the Dean's Office. Please note the current cost of each visitor pass is \$10.00.
- **All-Access Parking Permits** are available for checkout in the Dean's Suite. These passes are for use by faculty/staff that have meetings across campus; permits must be signed-out and returned after each use. Anyone abusing the use of the All-Access Parking Permit by using the permit for personal or non-university business will forfeit their right to check-out the permit. The College of HRSM is not responsible for any tickets received while using the All-Access Parking Permit.
- Please note if you do not wish to park in a Z lot, there is parking available in the garages on campus. You can find additional information online at <http://www.sc.edu/vmps/parkingareas.html>.

O. INTERNATIONAL PROGRAM PROPOSALS

- All new proposed or renewal agreements must be approved by your department chair, Associate Dean of Faculty, Operations and International Programs, Global Carolina, the Office of the Provost, and the Office of General Counsel.
- If the proposed or renewal agreement is related to a new or existing academic program or degree (this includes all Dual Degree Programs), the proponent must also follow the procedures outlined in University Policy ACAF 2.00 Creation and Revision of Academic Programs to ensure compliance with the Southern Association of Colleges and Schools (SACSCOC) and the South Carolina Commission on Higher Education (CHE) regulations.
- All proposed and renewal agreements must be submitted to Academic Dean and the proposal will be submitted into Mobility for approval (See ACAF Policy 2.06 <http://www.sc.edu/policies/ppm/acaf206.pdf>).

P. STUDY ABROAD

To avoid conflicts with normal course schedules, HRSM study away programs are only offered during Maymester, Summer, Spring Break and/or Winter sessions. A handy rule of thumb is to begin planning a year before your departure date. The regular application deadline for new programs is August 15th. Planning a successful study away program takes a great deal of time, collaboration, and attention to detail. To make the process easier for you, HRSM has created a step-by-step checklist, below. To be added to the HRSM Study Away Blackboard forum with helpful information and guidance, please email [Marketa Kubickova](mailto:Marketa.Kubickova@sc.edu) or [Christina Sayers](mailto:Christina.Sayers@sc.edu).

I. Program Approval

All education abroad proposals or renewals must be approved by the Dept. Chair and HRSM's Faculty Director of International Programs *before* submitting into the Education Abroad Proposal system. Also, the budget must be reviewed by the Budget and Grants Manager for compliance

with applicable policies, and to ensure the quotes and projected expenses are as accurate as possible.

II. Faculty and Assistants

All study away programs must have a lead HRSM faculty member and a pre-determined HRMS faculty, staff, or Ph.D. student (domestic) to serve as a program assistant during the entire travel portion of the program. The assistant will help the lead faculty member manage the trip and serve as a resource in case of an emergency. Only the official program leader(s)/assistant(s) and students fully enrolled in the program can travel with the student group and participate in program activities, unless authorized by the Dean. **Spouses, friends, and other non-students/non-employees may not accompany the group.**¹

III. Agreements and Invoices

Where possible, services should be acquired using an invoicing system. Unit Administrative Coordinators will assist with this process, which involves setting up a vendor account in PeopleSoft (including IRS W8-BENE and USC Wire Transfer forms).

Where contractual agreements are necessary, be aware that **faculty and staff are not authorized to sign on behalf of the University**. Copies of all proposed contracts/agreements along with a completed [Contract Approval Form](#) should be submitted with the program proposal and forwarded to the and the Director of International Affairs. Both the CFO and the Faculty Director of International Programs must review this form before submission to the Office of Legal Counsel.

Note: After Legal Counsel has finalized the agreement with the BoT representative's signature, they will notify the faculty member. IT IS VERY IMPORTANT that the program leader scans and sends the signed copy to the Director of International Affairs (Christina) and the Budget and Grants Manager (Pam).

IV. The Budget

The budget will determine the price per student and must be approved prior to submitting the program proposal. The budget development and review process must take place each year, including obtaining new quotes, agreements, and budget review, even for recurring programs. Programs are expected to be self-sufficient, with **student program fees covering** all program-related student expenses, all leader(s) expenses other than salary, assistant expenses unless funded from other sources, and the cost of marketing.

A contingency fund must be built into the budget to cover unexpected expenses. Faculty and staff may not budget for or provide per diem or any type of cash or cash equivalent to student participants as part of the without prior approval by the Department Chair and Dean. **Submit your budget to the CFO (or designee) for approval prior to submitting your proposal package to chair/associate dean.**

¹ For "in-residence" programs (four weeks in country or longer), spouses and dependents may accompany the program leaders abroad; however, they will not be considered participants of the program and therefore will not be eligible to participate in program-specific excursions. "In residence" faculty who plan on having their spouse accompany them on a long-term study abroad trip must obtain advance approval from their Department Chair. All expenses for the spouse must be paid by the faculty.

When it is determined that a program has enough participants to proceed (i.e., minimum enrollment to balance the budget), the faculty leader will need to complete the appropriate travel authorization paperwork (PLEF) designated by the EAO. Reimbursements cannot be processed unless the pre-departure documents have been completed.

V. Marketing

Programs cannot be advertised until approved by IPAC, and deposits cannot be accepted until the Office of General Counsel has approved any associated contracts. Develop marketing materials for the program in collaboration with HRSM's MarCom team, for publication after final program approval. Once the program has been finally approved by the EOA's "IPAC" Committee, program information including dates, prices, and payment details should be submitted to the Budget and Grants Manager to include on the website and the Touch-Net Marketplace for student payments. Use the Education Abroad Office's Deposit and Withdrawal form for this purpose (saved in faculty toolbox).

Prepare Deposit/Withdrawal Form (A/K/A "Touch-Net Form" and submit to Budget and Grants Manager in order to facilitate Touch-Net payments and inform participants of non-refundable nature of deposits. **DO NOT activate the Touch-Net payment button** until all contracts have been approved by the Office of Legal Counsel.

VI. Program Cancellation

The **program leader is responsible** for monitoring the number of deposits to ensure sufficient participation to balance the budget. If the program has not met the minimum number of deposits and the logistics provider's zero-penalty cancellation period is nearing, consult with the unit chair to determine whether cancellation is appropriate. When cancellation is warranted, **program leaders are responsible for notifying the following in writing:**

- All service providers;
- HRSM Associate Dean;
- HRSM Director of International Affairs;
- Education Abroad Office (or Student Success Center);
- Budget and Grants Manager, who will issue refunds;
- MarCom; and
- All program participants.

VII. Study Away program proposal Checklist

(See pages 20 – 23)

STUDY AWAY PROGRAM CHECKLIST

X	Preparing your Proposal
	Meet with Unit Chair to identify international or domestic travel program options, locations, timing, and learning objectives. *Each spring, HRSM's unit chairs, Faculty Director of International Programs, and Director of International Affairs (Christina Sayers) will identify which programs will be developed (or repeated) for the following year.
	If identified as an HRSM program for development or renewal (*see above): <ul style="list-style-type: none"> • Contact the Education Abroad Office to be added to their Blackboard resource forum, which has all forms and the link to the EAO application portal within; • Identify an approved HRSM program assistant, complete program coversheet, and obtain approval signatures.
	Meet with Chair and Director of International Affairs to: <ul style="list-style-type: none"> • Identify potential logistics providers (from the university's list of preferred providers); • Identify/select one or more partner institutions to tour with students for extended education abroad opportunities.
	Contact and consult with potential partners and providers to outline potential itinerary, costs and logistics. Request written proposals for review.
	Develop a course syllabus (see faculty toolbox for checklist) with expected itinerary and contact hours (<i>You may opt to have the program begin in Columbia or a nearby airport, with the group travelling together to the destination, or you may choose to begin the program at the destination site, with students making their own travel arrangements</i>)
	Decide on a logistics provider and any other needed services. Obtain any contract proposals or invoices from service providers (see §III, below for crucial details!)
	Meet with Budget and Grants Manager regarding budget preparation and other financial processes. Prepare budget, and submit to CFO (or designee) for approval (see §IV, below)

ADD UNIT CHAIR, FACULTY DIRECTOR OF INTERNATIONAL PROGRAMS, AND DIRECTOR OF INTERNATIONAL AFFAIRS TO LIST OF USERS IN EAO PORTAL. Save application as DRAFT, then email all when you're ready for review. **DO NOT "SUBMIT"** UNTIL REVIEWED/APPROVED BY HRSM'S FACULTY DIRECTOR OF INTERNATIONAL PROGRAMS.

Complete your online Education Abroad Online program proposal with coversheet and approval signatures in the EAO online portal. Notify the Faculty Director of International Programs and Director of International Programs of **draft status** and wait for review/approval BEFORE you hit the "submit" button. Allow at least a week before the EAO Deadlines: August 15th for new programs/leaders or August 31st for renewals.

The online proposal or renewal should include:

- A. All text boxes completed (see box below);
- B. Insurance application completed (see unit admin for billing code);

PLUS the following uploads:

- C. Signed Program Leader Agreement;
- D. Course syllabus (which includes academic, professional, and personal learning objectives);
- E. Expected itinerary with total contact hours;
- F. Program budget which has been reviewed/approved by the Budget and Grants Manager;
- G. Name and details of program assistant (see below);
- H. Any proposed contracts (e.g., service providers) accompanied by the University's contract approval form (see §III, below). Form must be approved by HRSM's CFO then submitted into the Mobility software program by the Director of International Affairs. **Only the USC Board has authority to enter into agreements.** DO NOT SIGN ANY CONTRACTS!

**Only after the Faculty Director (Marketa) reviews and approves the packet, may you submit the proposal electronically through the Education Abroad Office portal (international).*

Application details: Once approved by the College of HRSM, submit your USC Faculty-Led Global Classroom Proposal/Renewal online via this link:

<https://sc.edu/studyabroadproposal/login.php?from=applicationList.php>

You will see a link to an electronic insurance enrollment form embedded in the proposal application. Both the program leader and program assistant should complete this electronic insurance enrollment form while submitting the proposal application. Your unit Administrative Coordinator will provide you with payment details.

The online portal form will ask questions about your program budget, destination health/safety outlook, learning outcomes, foreign language support, and leader expertise, among other programmatic details. You can start a proposal and return to work on it later. Please note that the proposal will require the following elements:

- Completed syllabus accounting for the necessary contact hours, and demonstrating academic rigor including weighted grading items (varies amongst departments), challenging readings, and detailed assignments (including pre-departure meetings, activities/assignments, and class-time either before or during the program);
- Detailed day-to-day itinerary for your program;
- Signed and upload faculty leader program agreement, including departmental chair, who has reviewed and approved your syllabus, and budget (which must balance);
- Insurance form for all Faculty/Staff participating on-site to be submitted in Formstack (see unit admin for billing code);
- If you do not speak the local language in your destination country fluently, it is helpful if your proposal explicitly confirms that your logistics provider or partner organization will provide 24/7 language support.

Early Bird Deadline: June 15th. Complete proposals submitted by June 15th will be reviewed by IPAC by mid-July. If you would like to start promoting your Global Classroom as soon as the new academic year begins, we recommend submitting it by the June 15th early bird deadline.

Application Deadline for New Programs: August 15th. Complete proposals submitted by August 15th will be reviewed by OPAC by mid-September.

Application Deadline for Renewal Programs: August 31. Please keep note that programs are only eligible for renewal under these criteria:

- ✓ Under the program proposal's 3-Year Period
- ✓ No changes to the program leader
- ✓ No changes to the provider being used

	Develop marketing materials for the program in collaboration with HRSM’s MarCom team. Once the program has been finally approved by the EOA’s “IPAC” Committee, you may begin promotions.
	Prepare Deposit/Withdrawal Form (A/K/A “Touch-Net Form”) and submit to Budget and Grants Manager in order to facilitate Touch-Net payments and inform participants of non-refundable nature of deposits. DO NOT activate the Touch-Net payment button until all contracts have been approved by the Office of Legal Counsel.
	Participate in the USC Education Abroad Fair , usually held in September. Check here for dates.

Q. TRAVEL

Q.1 Request to Travel

Faculty and staff may be eligible for reimbursement for work-related travel expenses. All travel requests should be approved in advance by the employee’s supervisor and the Dean’s Office in accordance with university policy and budget standards.

- An Electronic Travel Request should be submitted and approved at 7 – 10 days in advance of the approved travel at the following link:
- [HRSM Business Office Forms - My HRSM | University of South Carolina \(sc.edu\)](#)
 - \$429.52/day is the maximum hotel rate, without tax, that can be reimbursed per night
 - You should always request the state rate when securing your hotel reservation
 - Per diem is set by the state and based upon the time you leave and return.
There is no per diem for single day travel without an overnight stay.

Time of Departure	Time of Return	Meal	In-State	Out-of-State

- Always retain a copy of all receipts/forms submitted for your records.
- Your proxy will process your reimbursement for you by submitting to your supervisor and the Dean’s Office to approve before entering the request into Peoplesoft. You will receive an automated notice to review and verify the reimbursement amount via the online portal. Thereafter, you will receive your reimbursement via direct deposit.
- Proxies are aware of the HRSM Expense Report packet of information that is to be included.
- Please review the TRAVEL TIP SHEET FOR PEOPLESOFT information below for additional information.

Q.3 TRAVEL REIMBURSEMENT VOUCHER (TRV) – (Students and Visitors to USC ONLY)

Q.4 TRAVEL TIP SHEET FOR PEOPLESOFT

Please note: Most of the Travel Policies for our College have remained the same.

- Any employee who travels is responsible for:
 - **Updating Banking Information in PeopleSoft.** This will validate them as a traveler in PeopleSoft allowing them or a Proxy to create a Travel Authorization (TA) and an Expense Report on their behalf.
 - Please see the following link with complete instructions:
https://www.sc.edu/about/offices_and_divisions/division_of_information_technology/peoplesoft/resources/updating_banking_information.pdf
- Travelers need to complete and submit an Electronic Request to Travel online 7 days **prior** to traveling at the link below:
[HRSM Business Office Forms - My HRSM | University of South Carolina \(sc.edu\)](#)
- Your Proxy will enter the fully approved Electronic Travel Request information into PeopleSoft. The form and approvals will be uploaded into PeopleSoft as verification of approval.
- The Traveler **must** electronically approve the TA/Expense Report in PeopleSoft to move the TA/Expense report through the system.
 - No one else can approve the TA or the Expense Report. *If the Traveler is offsite – they will need to use VPN to gain access to PeopleSoft remotely. Please submit a help ticket to our IT department to have VPN added to your device in advance, or your TA's and reimbursements will be delayed.*
 - According to USC policy, travelers should submit Electronic Travel Reimbursement Request to your proxy (departmental administrative coordinator) within 7–10 days of your return from traveling and attach your original receipts. These items must be submitted into the PeopleSoft system by your proxy no later than 30 days after your return as reimbursement requests received by Accounts Payable more than 45 days after return are subject to denial and require an exception late memo.
- The travel procedures limit one Travel Authorization (TA) to one Travel Expense Report. PeopleSoft will automatically close out a TA after an expense posts against it. *(See below for Special Circumstances for our College.)*
- Due to the limit of one TA to one Travel Expense Report, the new system does not accommodate “Blanket TA's”. *(See below for Special Circumstances for our College.)*
- Special Circumstances for our College:
 - Blanket TA's: Very few employees require a Blanket TA. Certain roles qualify for an internal blanket TA to cover travel to perform the duties of their job. The Traveler will still use the Electronic Travel Reimbursement form to submit receipts and requests for reimbursements, but they do not need an approved TA in the PeopleSoft system prior to this type of travel. *This is the only circumstance where a system TA will not be used for reimbursements.*
- The process for student and non-employees will not change.

FACULTY FAQs

Where can I find USC's academic policies?

- The latest version of the USC-Columbia Faculty Manual is available online at: https://sc.edu/about/offices_and_divisions/provost/docs/faculty_manual/facultymanual_columbia.pdf
- For undergraduate-specific policies, see: <https://academicbulletins.sc.edu/undergraduate/policies-regulations/>.
- For graduate-specific policies, see: <https://academicbulletins.sc.edu/graduate/policies-regulations/>
- For HRSM-specific policies and procedures, go to the HRSM homepage and click on MY HRSM -> For Faculty and Staff -> Policies . . . (https://www.sc.edu/study/colleges_schools/hrsm/internal/for_faculty_and_staff/).

What is the attendance policy for traditional courses?

In short, your published attendance policy can penalize unexcused absences in a student's grade only after a student's unexcused absences exceed 5% of the total class meeting time. So, in a traditional, face-to-face 3-credit course (which meets in class for a total of 2100 minutes) a student cannot be penalized for absences that total less than 105 minutes of class time – a minimum of one allowable unexcused absence for a class meeting two times per week for 75 minutes; two for a class meeting three times per week for 50 minutes. Students can be penalized for each unexcused absence beyond the 105 minutes of unexcused absences. Please note that excused absences cannot be penalized in a student's grade, and the student must be permitted to make up coursework. *Wondering what constitutes a valid "excuse"?* See <https://academicbulletins.sc.edu/undergraduate/policies-regulations/undergraduate-academic-regulations/#text>

What should I include on the course syllabus?

Syllabus statements are the first step in communicating your expectations with students. T

- The [USC syllabus requirements](https://sc.edu/about/offices_and_divisions/cte/teaching_resources/syllabus_templates/templates/summer_2021/cte_syllabus_best_practices.pdf) are described in the Best Practices document located at https://sc.edu/about/offices_and_divisions/cte/teaching_resources/syllabus_templates/templates/summer_2021/cte_syllabus_best_practices.pdf
- **Save time!** Start with this accessible [Online Syllabus Template](#).
- Be aware that depending on the course (e.g., [Carolina Core](#), [Distributed Learning](#), [ELO designation](#)), there may be additional required components.

Should I address the use of AI in my syllabus?

Yes, whether you decide to allow, require, or forbid students from using Generative AI (GenAI) for their coursework, you should let students know about it in class and on your syllabus to avoid misunderstandings. Get with Drew Martin, HRSM's Faculty Director for Innovative Learning and AI, for HRSM's sample syllabus statements. Also, you can peruse CTE's GenAI [sample statements](#).

What is the grading system at USC?

The Undergraduate Studies Bulletin and the Graduate Studies Bulletin describe the university grading system. For undergraduates, **A, B, C, D** represent passing grades in order from highest to

lowest. **B+**, **C+**, **D+** may also be recorded. **F** represents failing performance. Courses graded D+ or lower cannot be applied to graduate degree programs or to most majors.

How can I get help planning my courses?

Our Learning Experience Designer, [Tammy Macek](#), can help you plan, develop and improve your face-to-face, online, blended or Hyflex course. Among other things, she can help you with:

- Designing detailed and organized syllabi.
- Developing course outcomes and objectives for your students.
- Creating easy-to-navigate and accessible courses.
- Incorporating multiple methods to check student learning.
- Testing and selecting learning technologies for your courses.

Alternately, the Instructional Design team at the Center for Teaching Excellence offers one-on-one consultations and workshops to all who teach at USC. You can request a free consultation here:

https://sc.edu/about/offices_and_divisions/cte/instructional_design/consultation_requests/index.php

How can I make my course resources easier for students to use?

- The Office of Student Disability Resources provides a [Digital Accessibility Toolbox](#) to help faculty make their courses and course materials accessible for everyone. There you'll find several resources and tools to help you – like this [Best Practices Cheat Sheet](#).
- Adopting a broad approach to accessibility end ease-of-use has the potential to benefit all users, including student with disabilities, those with English as their second language, and others. Universal Design for Learning (“UDL”) is a framework to optimize learning for everyone based on the science of how humans learn. More at https://sc.edu/about/offices_and_divisions/cte/teaching_resources/course_design_development_delivery/universal_design_learning/index.php.

Who is/are the academic advisor(s) for students in my unit?

- **HTMT:** Valeria Bates and Kyle Elkewa;
- **SPTE:** Kate Blanton and Martiez Moore;
- **RETL:** Carolina Gamble;
- **BAIS-SM:** Kyle Elkewa

What should I do if I catch a student cheating?

Did you know that more than half of college students admit to cheating in some form? (e.g., Pedhazur Schmelkin, et al., 2008). Faculty have an obligation to report suspected violations. If you have reason to believe that a student has engaged in academic dishonesty, here are some potential approaches:

- Request a consultation with the [Office of Academic Integrity](#) (803-777-4333, saosc@mailbox.sc.edu) to talk through your concerns and help you to determine appropriate steps;

- Meet with the student to discuss your concerns. You might want to begin by asking some questions about the assignment in question, and the processes they used to complete it. Or you could explicitly address your concerns and probe for more details;
- [Report the suspected violation](#) either with or without notice to the student:
 - With notice. Here's a handy [email template](#) (Discussing a potential violation Email template) that might be useful in informing a student that you're making a referral to OSCAI;
 - Without notice. You can make a referral without advance notice to the student. Be as complete in your description of the issue as possible.

The Office of Student Conduct and Academic Integrity (OSCAI) has a [resource page](#) to help you navigate academic integrity issues. If you have questions or need help, contact your unit chair or Karen Edwards at kedwards@HRSM.sc.edu.

What should I do when I have a concern about a student?

Be sure to share concerns about your students with your supervisor and the designated University resource:

- **Basic needs.** To be successful in school, students must have their basic needs met. If you believe a student is having difficulty accessing food, stable housing, or school supplies, please have them reach out to the [Student Care and Outreach Team](#).
- **Mental or behavioral issues.** For concerns about a student's health, well-being, or safety, submit a referral to the University's [Student Care and Outreach Team](#) (https://sc.edu/about/system_and_campuses/palmetto_college/internal/faculty_and_staff/care_referral/index.php) managed through the Dean of Students' Office. If it is an emergency, call 911 or USCPD 803-777-4215.
- **Academic difficulties.** Faculty may submit a [Student Success Center Alert](#) about an undergraduate student who may be having academic difficulties (https://sc.edu/about/offices_and_divisions/student_success_center/submit-an-alert/index.php). If you feel that a student with a disability could benefit from accommodations, submit a student referral here: https://sc.edu/about/offices_and_divisions/student_disability_resource_center/for_faculty_and_staff/referral_form/.
- **Academic Integrity.** Honesty and integrity are integral to academic success, faculty have an obligation to report potential violations to the Office of Student Conduct and Academic Integrity. Feel free to contact our HRSM Liaison, Mr. Jessie Townsend, at jessiet@mailbox.sc.edu. To file a report online go to https://cm.maxient.com/reportingform.php?UnivofSouthCarolina&layout_id=2.
- **Problems causing Absences.** Students with problems that may lead to absences should be referred to the Office of Student Affairs and Academic Support using [this form](#) (https://cm.maxient.com/reportingform.php?UnivofSouthCarolina&layout_id=77).
- **Interpersonal violence.** University policy considers all faculty and staff to be responsible employees and are obligated to report any known incidents of interpersonal violence at https://cm.maxient.com/reportingform.php?UnivofSouthCarolina&layout_id=25.

Are faculty *required* to give final exams?

You are not required to give a final examination. However, you should clearly specify in the syllabus whether or not a final assessment will be given during finals week so that students can plan appropriately.

Can I give my final exams during the last week of classes?

No. As stated in the USC Faculty Manual (p. 69):

In any course or laboratory that meets weekly, no quiz, test, or examination shall be given during the last class session before the regular examination period. In any course or laboratory that meets two or three times a week, no quiz, test, or examination shall be given during the last two class sessions before the regular examination period. In any course or laboratory that meets more than three times a week, no quiz, test, or examination shall be given during the last three sessions before the regular examination period.

Final examinations and their duration are posted on the [Registrar's Final Exams](#) webpage.

What if my students or I want to deviate from the day/time the Registrar posted for the final exam?

You must adhere to the schedule posted on the [Registrar's Final Exams](#) webpage. Deviations may create conflicts for students with other exams or activities.

I teach a face-to face course – can I give an online final exam?

Yes, but you must adhere to the day and time that is specified for your course.

When are final grades due in the my.sc.edu system?

You have 72 hours following the end of your final exam period to submit grades into [my.sc.edu](#).

What if I need to change a student's final grade?

Grade changes based on transcription or computation errors are reported directly to the Office of the University Registrar via the online undergraduate a Change of Grade form available at https://sc.edu/about/offices_and_divisions/registrar/toolbox/grade_processing/frequently_asked_questions/index.php. For graduate students, complete grade-change forms and send them to the Graduate Council. Any request for a grade change must be submitted by the instructor no later than one calendar year from the date on which the grade was reported.

When can I issue a grade if Incomplete?

I, Incomplete, is assigned at the discretion of the instructor when, in the instructor's judgment, a student is unable to complete some portion of the assigned work in a course because of an unanticipated illness, accident, work-related responsibility, family hardship, or verified learning disability. The grade of I is not intended to give students additional time to complete course assignments unless there is some indication that the specified condition or event prevented the student from completing course assignments on time.

I have more questions about grade processing – where should I look?

You're in luck – the [Registrar's Office](#) has compiled an [FAQ page](#) on grade-related questions! Find it here:

https://sc.edu/about/offices_and_divisions/registrar/toolbox/grade_processing/frequently_asked_questions/index.php

I have an idea for a new course – how can I get started?

1. First, check with your unit chair and undergraduate coordinator/graduate director to determine whether your idea fits in with the program and needs of the students. Discuss the course with your unit's faculty to see whether they generally support the idea. (If so, you might want to pilot the course as a special topics option during a summer term).
2. To move forward, read Policy [ACAF 2.03](#) and develop a draft syllabus with appropriate learning outcomes, working with your unit's academic advisor to identify any student progression issues.
3. Present your course proposal to your unit's faculty for discussion and a unit vote. If affirmative, get with your undergraduate coordinator/graduate director or [the Assoc. Dean for Academic Programs](#) for help submitting the course proposal into the [USC application system](#)
4. All new courses must be approved in advance by unit faculty, HRSM faculty, as well as final approval by the USC Faculty Senate/Graduate Council.

Do I need special permission to teach a course online?

Courses that are taught 50% or more online must be approved in advance by unit faculty, HRSM faculty, and a final approval by the Faculty Senate. To see whether your course is already approved for online delivery, check https://sc.edu/about/offices_and_divisions/provost/planning/academicprograms/courses/distributed-learning-courses.php. If not, get with your unit chair and faculty to determine whether your students and the program would benefit from an online delivery option. If so, contact the Assoc. Dean for Academic Programs at kedwards@HRSM.sc.edu to get started with your proposal.

How can I tell whether my online course aligns with best practices in teaching and learning?

HRSM is currently finalizing its “**HRSM Quality Standards Checklist for Online Courses**,” a user-friendly tool loaded with resources to help you develop a great online course. In addition, our Learning Experience Designer, [Tammy Macek](#), is available to provide you with one-on-one coaching for online and face-to-face courses! Plus:

- USC's Quality Standards for Online Courses (“QSOC”) are based on nationally recognized standards and can be used for self-review, building/revising an online course, or internal peer reviews. See https://sc.edu/about/offices_and_divisions/cte/instructional_design/docs/qsoc_checklist_guidance.pdf.
- And . . . the university also has an institutional membership in the [Online Learning Consortium](#) (OLC), one of the top organizations associated with best practices in digital learning. Faculty, staff, and students can create an account (using a USC email address) to access a variety of resources including on-demand webinars, the *Online Learning Journal*, and member blogs.

I have an idea for a new study abroad program – how can I get started?

1. First, check with your unit chair to determine whether your theme and destination and topic fit in with the program and needs of the students.
2. HRSM has guides and checklists to make the program development and approval process smoother.
3. All study away proposals and supporting documents must be submitted by the published deadlines and approved in advance by the unit, College, the Education Abroad Office. Please email the Faculty Director for International Affairs, Marketa Kubickova, for more information.
4. Faculty-Led Global Classrooms require an extensive amount of planning and oversight. This involves working closely with the Faculty Director for International Affairs, your unit chair, the budget and grants manager, the Director of International Programs, and the Education Abroad Office/Student Success Center to ensure all program requirements are met before, during and after the travel dates.

What are some resources for my own professional development at USC?
