

Hala Ghattas, PhD

Department of Health Promotion, Education and Behavior,
Arnold School of Public Health,
Discovery I, 915 Greene Street, Room 558
University of South Carolina Columbia,
South Carolina 29208

Tel: +1 803 777 8462
e-mail: hghattas@mailbox.edu.lb

EDUCATION

- 2001-2004 **Ph.D. in Nutrition and Immunology**
Department of Infectious Diseases, St George's, University of London, London, UK
- 1999-2000 **M.Sc. in Public Health Nutrition** (Awarded with Distinction)
London School of Hygiene and Tropical Medicine, London, UK
- 1995-1999 **B.Sc. in Nutrition and Dietetics** (Awarded with Distinction)
American University of Beirut, Beirut, Lebanon

PROFESSIONAL EXPERIENCE

- August 2022 – present **Associate Professor**
Department of Health Promotion, Education and Behavior, Arnold School of Public Health, University of South Carolina, USA
- 2022 - present **Research Affiliate**
International Security and Development Center, Berlin, Germany
- 2020 - 2022 **Director & Associate Research Professor**
2017 - 2020 **Interim Director & Associate Research Professor**
2013 - 2017 **Associate Director & Assistant Research Professor**
Center for Research on Population and Health, Faculty of Health Sciences, American University of Beirut, Lebanon
- 2016 - 2021 **Special Member of the Graduate Faculty**
Graduate Program in Nutrition and Food Science, University of Maryland, College Park, MD, USA
- 2016 - 2019 **Visiting Researcher**
Open Lab, Newcastle University, UK
- 2009 - 2013 **Assistant Professor of Community Nutrition**
Department of Nutrition and Food Sciences, Faculty of Agricultural and Food Sciences, American University of Beirut, Lebanon
- 2007 - 2011* **Lecturer**
2005 - 2007 **Research Fellow**
MRC International Nutrition Group, Department of Epidemiology and Population Health, London School of Hygiene and Tropical Medicine, UK
- 2001 - 2004 **Graduate Research Assistant**
Department of Infectious Diseases, St George's, University of London, UK

* Full time from 2007-2008, and retained a 5% time Lecturer contract from 2009-2011

RESEARCH

GRANTS AND AWARDS

- 2023-2025 Co-principal investigator. Using complex systems methods to co-produce solutions for how emergency food assistance can prioritise healthy foods for vulnerable populations in Lebanon. Innovative Methods and Metrics for Agriculture and Nutrition Actions (IMMANA). GBP 249,798.
- 2022-2025 Co-principal investigator. Understanding and amplifying the role of women's leadership in food systems transformation. International Development Research Center (Canada). USD 741,600.
- 2020-2025 Co-investigator [Lead on the role of food insecurity in older adults]. Dementia and Related Health and Social Challenges in Lebanon: A Population Study. National Institute on Ageing (NIA). USD 3,513,765.
- 2022-2024 Co-investigator. Identifying opportunities to improve the lived experience and health of working women in the MENA: from COVID to recovery. International Development Research Center (Canada). USD 697,023.
- 2020-2024 Co-principal investigator [Lead on social protection and food insecurity]. COVID-19 in Lebanon: Turning a crisis into an opportunity to promote an integrated community approach for more equitable health outcomes for Syrian refugees and their host Lebanese community and to inform public health preparedness in Lebanon and the region. International Development Research Center (Canada). USD 975,652.
- 2020-2022 Co-principal investigator [Lead on vulnerability to food insecurity and adherence to COVID preventive measures]. Tracking adherence of older refugees to COVID-19 preventive measures in response to changing vulnerabilities: A multi-level, panel study to inform humanitarian response in Lebanon. Research for Health in Humanitarian Crises (R2HC Elrha), subcontracted through Norwegian Refugee Council. GBP 109,454.
- 2020-2021 Co-principal investigator [Lead on SDGs 1, 2 and 3]. Fostering Knowledge for Human Development in the Arab Region. United Nations Development Program (UNDP). USD 110,000.
- 2020-2023 Co-principal investigator. Seeds for recovery: The long term impacts of a complex agricultural intervention on welfare, behaviour and stability in Syria. Centre of Excellence for Development Impact and Learning (CEDIL) subcontracted through ISDC. GBP 207,228.
- 2018-2023 Principal investigator. Tackling School and Community Drivers of Children's Diets in Arab Cities. International Development Research Center (Canada). USD 1,104,964.
- 2019-2020 Co-principal investigator. Identifying a Package of Cost-effective Interventions to Address Non-communicable Diseases in Gaza. MRC Health Systems Research Initiative subcontracted through Imperial College London. USD 60,565.
- 2019-2020 Principal investigator. Evaluation of Emergency School Feeding in Lebanon. World Food Program subcontracted through Particip GmbH. USD 45,589.

- 2018- 2019 Co-investigator. Cash monitoring, evaluation and accountability for Syrian refugees. Norwegian Refugee Council. USD 220,892.
- 2018-2019 Principal investigator. Reproductive, Maternal, Newborn, Child and Adolescent Health and Nutrition in Conflict Settings: The Case of Syrian Women and Children. The Hospital for Sick Children. USD 76,679.
- 2017-2018 Co-investigator. Assessing the results of the enforcement of the salt iodization program in Lebanon. Iodine Global Network. USD 26,680.
- 2017-2018 Co-investigator. Analysis and Refinement of the Targeting Mechanisms for Food and Multipurpose Cash Assistance to Central African Republic (CAR) Refugees in the East, Adamawa and North Regions of Cameroon. UNHCR. USD 32,230.
- 2017-2018 Principal investigator. Cross-Cultural Study of Household Water Insecurity (WIS) Validation of an Arabic Water Insecurity Scale. Northwestern University. USD 15,000.
- 2017-2018 Principal investigator. Food insecurity in the Arab world; inequalities and wellbeing differentials. University Research Board. USD 9,235.
- 2016-2018 Co-principal investigator. Engaging patients in addressing hypertension: Patient experience with self-monitoring of blood glucose. Harvard Medical School Center for Global Health Delivery–Dubai. USD 99,948.
- 2015-2018 Co-principal investigator. Responding to changing health needs in complex emergencies: A policy imperative. Columbia Global Policy Initiative. USD 115,000.
- 2016 Principal investigator. The Status of Children and Women in Lebanon: Peer review and data analysis of a UNICEF Household survey. UNICEF Lebanon. USD 46,060.
- 2016 Principal investigator. *Allo Sobtik*: Testing a radio health dialogue to improve access and uptake of antenatal care services by Syrian refugees in rural Lebanon. Newcastle University. USD 2,858.
- 2015-2016 Co-principal investigator. Monitoring and evaluation of salt iodization in Lebanon. Iodine Global Network. USD 43,348.
- 2015-2016 Principal investigator. Food insecurity in the Arab world; youth, gender and wellbeing differentials. FAO Voices of the Hungry Project. Data award: Full dataset of the Gallup World Poll 2014-2015.
- 2015-2016 Principal investigator. Development of a location based application for breastfeeding friendly places in Lebanon. Newcastle University. USD 8,127.
- 2014-2017 Principal investigator. Healthy Kitchens, Healthy Children: A school-based cluster randomized controlled trial. Nestle Foundation. USD 255,430.
- 2014-2016 Co-principal investigator. Effects of the Syrian conflict on maternal and child health with a focus on Countdown indicators. US Fund for UNICEF as part of a Gates Foundation grant to Countdown to 2015: Maternal, Newborn and Child Survival. USD 49,680.
- 2014-2015 Co-principal investigator. Socio-economic survey for Palestine refugees in Lebanon. UNRWA. USD 60,280.

- 2014-2015 Principal investigator. Design and development to improve uptake and continuity of antenatal care among Syrian refugee women in Lebanon. Newcastle University. USD 7,800.
- 2013 Co-investigator. Glycaemic index of bread: fibre or minerals? This is the question. American University of Beirut, Faculty of Medicine Innovative Grant Award. USD 10,000.
- 2013 Principal investigator. The role of dietary phosphorus in the development and progression of NAFLD in rats. American University of Beirut, Faculty of Medicine Innovative Grant Award. USD 10,000.
- 2012-2013 Principal investigator. Development of a tool to measure food insecurity in children in Lebanon: Exploring children's experiences of food insecurity. American University of Beirut, University Research Board. USD 7,000.
- 2011-2012 Co-investigator. Validation of a Lebanese food security assessment tool, WHO-EMRO. USD 8,164.
- 2011-2012 Co-investigator. Mapping the living conditions of UNHCR registered refugees in Lebanon. UNHCR. USD 67,553.
- 2010-2013 Local investigator. The effect of a school feeding program in Aarsal on nutritional status of children; a component of Food and health in rural Lebanon: Options to improve dietary diversity, food security, livelihoods and ecosystem management. International Development Research Centre grant awarded to IBSAR (AUB Nature Conservation Center). CAD 51,900.
- 2010-2013 Co-investigator. The Nestle Healthy Kids Nutrition Research Fund (Project: Development of a tool to measure food insecurity in children in Lebanon). Nestle Middle East. USD 250,000.
- 2010-2011 Principal investigator. Adiposity and iron status in Lebanese children and adolescents, American University of Beirut, University Research Board. USD 9,000.
- 2010-2011 Co-investigator. Industrial organisation and fresh foods value chains in the Middle East – two case studies from Lebanon and Qatar. Center for International and Regional Studies, Georgetown University School of Foreign Service in Qatar. USD 24,998.
- 2010 Co-investigator. Poverty and food security of Palestine refugees in Lebanon: analysis and targeting. UNRWA. USD 80,000.
- 2009-2010 Principal investigator. Iron deficiency in obesity: hidden hunger or anaemia of inflammation? American University of Beirut, University Research Board. USD 4,122.
- 2008-2013 Co-investigator. Novel staple food-based strategies to improve micronutrient status for better health and development in sub-Saharan Africa: safety and efficacy of iron fortified maize flour in the prevention of anaemia in pregnant women and infants, European Union FP7 Collaborative Project. EUR 943,160.
- 2007-2008 Principal investigator. Insecticide treated bednets to reduce malaria morbidity in central Côte d'Ivoire. Private funder – Small project grant. GBP 20,000.

2006-2008 Co-investigator. Anaemia in pregnant Zanzibari women: do common genetic polymorphisms affecting iron metabolism explain differential responses to iron supplementation? Wellcome Trust. GBP 145,618.

63. **Ghattas H**, Irvine, A, Wallace DL, Solon, J, Morgan G, Prentice AM, MacAllan DC. The long-term effects of perinatal malnutrition on immunity: Lymphocyte subset distribution and kinetics in young Gambian men. *Ann Nutr Metab* 2003;47:461. Abstract from the 9th European Nutrition Congress, Rome, October 2003.
64. **Ghattas H**, Irvine AI, Wallace DL, Prentice AM, Macallan DC. Perinatal nutritional programming of adult immunity: studies of lymphocyte kinetics in young men in The Gambia. Abstract from “Research in Progress”, The Royal Society of Tropical Medicine and Hygiene, London, December 2002.
65. Hodgson LM, **Ghattas H**, Pritchitt H, Schwenk A, Macallan DC. Nutritional Demographics in an HIV outpatients clinic. Abstract from the 23rd ESPEN Congress, Munich, September 2001.

EXPERT WORKSHOPS & INVITED LECTURES

1. Invited speaker/discussant. Recent advances in measuring nutrition and physical activity using wearable devices. Arnold School of Public Health, Physical Activity Brown Bottle Series. November 29, 2023.
2. Invited speaker. AI & Machine learning in Food Environment Research and how it can be adapted to the African context. Africa Food Environment Research Network (FERN) meeting. November 3, 2023.
3. Invited speaker. Dissemination webinar series from the School and Community Drivers of Child Diets in Arab Cities study. International Development Research Center (IDRC) Canada.
 - a. The economics of food environments and food choice. July 10, 2023
 - b. Food environments of school-aged children. July 17, 2023
4. Invited speaker. Food security, nutrition and health inequities in the context of protracted crises. USC Nutrition Research Symposium. March 23, 2023.
5. Invited speaker. A system’s approach to improving children’s diets: Learning from lived experience. UNICEF Masterclass. November 2022.
6. Invited speaker. Lessons learned from applying the Child Food Insecurity Experiences Scale in school-based surveys in Lebanon. UNICEF Data Collection Webinar Series on Child Food Insecurity. June 2022.
7. Invited speaker. Adolescent health in humanitarian crises: challenges, data gaps and lessons learned from the Middle East. Gairdner Foundation Global Perspectives Panel on Navigating Transitions. May 2022.
8. Invited speaker. Frameworks for food systems approaches to food and nutrition security in populations affected by protracted humanitarian crises. Agriculture, Nutrition and Health Academy Webinar series. January 2022.

9. Invited speaker. Health inequalities in Lebanon. Institute of Community and Public Health, Birzeit University workshop on inequalities in health. December 2021.
10. Invited speaker. Responding to Women's, Newborns', Children's, and Adolescents' Health (WCH) needs in Conflict Settings in the EMR - lessons learned and course ahead. BRANCH consortium regional stakeholder event. October 2021.
11. Invited speaker. Global Obesity Forum. Insights from research on school and community drivers of children's diets in the Middle East and North Africa. September 2021.
12. Invited speaker. Boston University Initiative on Forced Displacement. COVID-19 and refugees in Lebanon. June 2021.
13. Invited speaker. Consortium of Universities for Global Health Webinar: Health in Areas Affected by Violent Conflict: Time for Academic Global Health Programs to Respond. February 2021.
14. Invited speaker. AUB Food security program webinar series. The Impact of Covid-19 on Gender and Food. June 2020.
15. Invited speaker. Boston University Initiative on Forced Displacement. Protracted forced displacement in Lebanon: How context affects food security, nutrition and health of refugees. June 2020.
16. Expert. FAO Expert consultation on the Food Insecurity Experience Scale. Rome, February 2019.
17. Expert. UN Secretary General's Independent Accountability Panel for Women's, Children's and Adolescents' Health internal retreat, New Delhi, December 2018.
18. Panelist. University of Birmingham, Workshop on Practical Humanities: Resilient Places, Beirut, November 2018.
19. Participant. League of Arab States and UNFPA Expert Group Meeting on Reviewing PAFAM Structure and Survey Tools, Cairo, July 2018.
20. Participant. RMNCAH&N in Conflict Settings – Country Case Studies Meeting, Dubai, November 2017.
21. Participant. Lancet-AUB Commission on Syria: Health in conflict, Third Commissioners Meeting, American University of Paris, October, 2017.
22. Participant. First Consultative Meeting on Food Security Assessment and Monitoring in the Arab Region, Economic and Social Commission for Western Asia (ESCWA), Beirut, April 2017.
23. Observer. Lancet Commission on Syria: Health in Conflict. American University of Beirut, December, 2016.
24. Participant. Improving health through better governance – strengthening the governance of diet and nutrition partnerships for the prevention of chronic diseases. Rockefeller Foundation, Bellagio Center, Italy, November 2015.
25. Invited lecture. Dual burdens and food insecurity: Examples from the Arab world in transition. Columbia University, Mailman School of Public Health, June 2015.
26. Participant. Diabetes and its adaptive baseline: Establishing trends across ecological settings. UCL Diabetes Network. University College London, London, January 2015.

TEACHING AND ADVISING

Doctoral Students

1. Kadiri N. (2022-present) Examining the Health-seeking Behaviors of Recent Nigerian Immigrants. Arnold School of Public Health, University of South Carolina (*committee member*)
2. Jamaluddine Z. (2020-present), A protracted refugee birth cohort: exploring effects of conflict on small-size birth, and of small-size at birth on subsequent child wellbeing outcomes. London School of Hygiene and Tropical Medicine, UK (*co-advisor*)

3. Saad G. (2019-2023), Female headed household typologies and their role in child health. Department of Epidemiology and Population Health, American University of Beirut, (*advisor*)
4. Akl C. (2018-2023), The role of school food environments in determining children's food choices. Department of Epidemiology and Population Health, American University of Beirut, (*advisor*)
5. Shiekh O. (2014-2021), Food insecurity among vulnerable populations in Arab countries. Department of Nutrition and Food Science, University of Maryland, College Park, MD, USA (*committee member*)
6. Talhouk R. (2016-2020), Using technology in building refugee community resilience. Open Lab, Newcastle University, UK (*co-advisor*)
7. Wambogo E. (2015-2018), Food insecurity among older adults in Sub-Saharan Africa: A multisectoral approach, Department of Nutrition and Food Science, University of Maryland, College Park, MD, USA (*committee member*)
8. Shaker L. (2013-2018), Protecting the vulnerable in times of vulnerability – Infant and young child feeding in emergencies. School of Nursing and Health Sciences, University of Dundee, UK (*co-advisor*)
9. Akik C. (2011-2014), Breastfeeding in Lebanon: Barriers and policy dynamics. Department of Population Health, London School of Hygiene and Tropical Medicine, UK (*co-advisor*)

Department of Health Promotion, Education, and Behavior, Arnold School of Public Health, University of South Carolina

Courses taught

- HPEB 792 Health of Populations Affected by Humanitarian Crises (*graduate*), Fall 2023
- HPEB 818 Advanced Evaluation of Health Promotion Programs (*doctoral*), Spring 2023

Guest lecturer

- HPEB 715 Qualitative Research Methods in Public Health (*graduate*), Fall 2022
- HPEB 772 Responding to Global Health Challenges (*graduate*), Spring 2023
- HPEB 620 Nutrition Through the Life Cycle, Spring 2023

Department of Epidemiology and Population Health, Faculty of Health Sciences, American University of Beirut

Courses taught

- NFSC 300A Graduate tutorial in Nutritional Epidemiology, 2021 - 2022
- EPHD 445 Writing Research Grants (*doctoral*), 2021 - 2022
- EPHD 440 Doctoral Seminar in Epidemiology, 2020 - 2022
- PBHL 310 Research Design (*quantitative practical lead*), 2017 - 2022
- PBHL 220/320CC Design of Engineering Solutions for Health Challenges in Crises, 2021
- EPHD 340 Departmental Seminar: *Neighbourhoods, Place and Health*, 2018
- EPHD 365 Practicum in Epidemiology and Biostatistics (*graduate practicum advisor*), 2015-2022
- IDTH 232 Research design and Development (*mentor to medical students*), 2014-2022
- IDTH 268 Special Projects in Medicine (*mentor to 4th year medical students*), 2016-2022

Guest lecturer

- PBHL 302 Methods in Humanitarian Settings (*graduate*), 2021
- IPEC 300 Interprofessional Education (*graduate*), 2021
- EPHD 317 Epidemiology of Non-Communicable Diseases and Mental Health Disorders (*graduate*), 2020- present
- PBHL 302 Implementation Research for Public Health (*graduate*), Fall 2016
- EPHD 323 Epidemiology of Communicable and Non-Communicable Diseases (*graduate*), Spring 2016, Spring 2021
- HPCH 332 Community Health and Development (*graduate*), Spring 2015
- EPHD 340 Epidemiology Departmental Seminar (*graduate*), Spring 2014

MSc Epidemiology thesis advisor

1. Ali F. (2023), Food Insecurity and Mental Illness in a Conflict-Affected Population: A Cross-Sectional Study of Adults in Gaza.
2. Lopes K. (2019), Impact evaluation of multi-purpose cash assistance on health care services utilization among Syrian refugees in Lebanon: the role of proximity to health care

3. Hoteit R. (2018), Does A Subsidized School Meal Program Reduce Absenteeism and Improve Academic Performance of Palestinian Refugee School Children?
4. Battistin F. (2016), Does unconditional, unrestricted cash assistance improve Syrian refugee's physical and material wellbeing?
5. Assi M. (2015), The double burden of malnutrition in under-5 year old children in Arab countries: An analysis of prevalence and predictors.

Department of Nutrition and Food Sciences, Faculty of Agricultural and Food Sciences, American University of Beirut

Community nutrition practicum coordinator (2009-2013)

Courses taught

- NFSC 222 (3cr.) Community Nutrition (*undergraduate*), Fall 2009 - Fall 2012
- NFSC 283 (3cr.) Nutrition education and communication (*undergraduate*), Fall 2009 – Fall 2012
- NFSC 296 (1cr.) Current topics in Food Sciences and Nutrition (*undergraduate seminar advisor*), 2009-2013
- NFSC 299 (2cr.) Projects in Nutrition and Food Sciences (*undergraduate project advisor*), 2009-2013
- NFSC 306 (3cr.) Community Nutrition: Research and Intervention (*graduate*), Spring 2010, Spring 2012
- NFSC 395 (1cr.) Graduate Seminar in Nutrition and Food Science, Spring 2012

MSc Nutrition thesis advisor

1. Aqeel M. (2014) Children's Experiences of Food Insecurity in Lebanon – A Qualitative Study.
2. El Hayek J. (2013) Development of low-cost sample diets for adults living in rural areas of Lebanon using Linear Programming models.
3. Khalil L. (2012) The effect of body mass index and adiposity on iron status in Lebanese children and adolescents.
4. Safieddine B. (2012) Breastfeeding support given by health care providers and society: a qualitative study investigating perspectives of women living in the Southern Suburbs of Beirut.
5. Khudari H. (2011) Nutritional Status Assessment of school children in Aarsal.

Department of Epidemiology and Population Health, London School of Hygiene and Tropical Medicine

Module co-organiser:

Module 2440 Maternal and Child Nutrition (2005-2008)

Distance learning tutor:

EP 201 Study design: writing a grant application (2007)

MSc project advisor:

1. Bailey J. (2008) The potential of ready to use foods in complementary feeding.
2. Dodhia S. (2006) The prevention of iron deficiency anaemia in malaria endemic regions by iron supplementation: Are international guidelines based on evidence?
3. Akik C. (2006) An evaluation of complementary feeding patterns in Lebanon: A cross-sectional study
4. Kagiafa D. (2005) The role of dairy consumption in adult obesity: a systematic review.

MSc project co-advisor:

1. Asfahani F. (2016) Food insecurity and wellbeing among youth in the Arab world: secondary data analysis.
2. Shahid H. (2015) Socioeconomic Determinants of Chronic Disease Amongst Palestinian Refugees in Lebanon

PROFESSIONAL DEVELOPMENT

- June 2021 Survey Research Center Summer Institute, University of Michigan, course attended:
Responsive Survey Design
- June 2016 Epidemiology and Population Health Summer Institute, Mailman School of Public Health, Columbia University, courses attended:
Digital Acquisition of Big Data
Growth Curve Modelling
- June 2015 Epidemiology and Population Health Summer Institute, Mailman School of Public Health, Columbia University, courses attended:
Spatial Analysis in Epidemiology
Assessing Neighborhoods in Epidemiology
- 2006-2007 Certificate in Learning and Teaching (Module 1), London School of Hygiene and Tropical Medicine, workshops attended:
Small Group Teaching
Planning Learning Activities: teaching sessions
Assessments: Marking and Giving Feedback
Presenting a Lecture: Large group teaching
Personal Tutoring
Peer Observation: Reflective Practice and Self-evaluation

SERVICE

University of South Carolina

- Fall 2023 - Member, Student Engagement Committee, Department of Health Promotion, Education and Behavior
- Fall 2022 - Member, Scholarship and Awards Committee, Department of Health Promotion, Education and Behavior
- Fall 2022 - Member, Steering Committee, University of South Carolina Nutrition Consortium

American University of Beirut

- 2021 – 2022 Co-facilitator, AUB VITAL Cluster of Research Excellence on Intelligence and Insights
- 2021 – 2022 Member, AUB Artificial Intelligence, Computational and Data Sciences Task Force
- 2020 – 2022 Faculty of Health Sciences Coordinator, MSc Public Health Nutrition Programme Committee
- 2019 – 2022 Faculty of Health Sciences (FHS) representative, Social and Behavioural Sciences Institutional Research Board (IRB)
- 2018 – 2022 Member, FHS Research Committee
- 2018 – 2022 FHS representative, AUB AREC Taskforce
- 2018 – 2022 Member, Food Security Program Committee
- 2017 – 2022 Co-organizer, Humanitarian Engineering Summer/Winter school
- 2017 – 2022 Member, AUB Leadership, Equity, and Diversity Initiative (LEAD) Civic Engagement Committee
- 2014 – 2022 Co-organiser, Faculty of Health Sciences Annual Faculty Research Day
- 2013 – 2022 Member, Faculty of Health Sciences Task Force on Emergencies and Health & sub-Task force on conflict in the curriculum
- 2019 Member, FHS Integrative Learning Experience (ILE) Curriculum Committee
- 2019 Member, FHS self-study Committee on Research, Teaching, Practice and Community Engagement (TReP Committee), in preparation for re-accreditation by the Council on Education in Public Health (CEPH)
- 2015 – 2019 Member, AUB Syrian Refugee Crisis Committee (AUB4Refugees)

2014 – 2019	Co-organiser, Center for Research on Population and Health Research Incubation Seminars
2014 –2019	Member, Curriculum committee for the Global Master’s in Health and Sustainable Development
2011 – 2019	Reviewer, Social and Behavioural Sciences Institutional Research Board
2016	Member, Selection Committee for the Coordinator of the Global Master's program
2014	Member, Faculty of Health Sciences, Scientific Committee for the 60th Anniversary Conference
2012-2013	Chair, Faculty of Agricultural and Food Sciences (FAFS)-FHS committee for the development of a new Master’s degree in Public Health Nutrition
2012	Member, Program Review Committee, Department of Nutrition and Food Sciences
2011-2013	Member, Faculty of Agricultural and Food Sciences (FAFS) Library Committee
2009-2013	Member, Faculty of Agricultural and Food Sciences Graduate Studies Committee
2010-2013	Member, AUB Nature Conservation Center (NCC)
2009-2013	Organizer, Annual AUB Wellness Committee Fit-a-thon
2010-2011	FAFS representative, PhD Task Force Committee for the Biomedical Sciences Doctoral program
2010-2011	Faculty Advisor to the joint FAFS/IFI Program on Food Security and Policy in the Middle East
2010	FAFS representative on the Social and Behavioural Sciences Institutional Research Board
2009-2011	Member, Faculty of Agricultural and Food Sciences Research Committee

Professional Service

2022 -	Member, Strategy Group, Next Gen(d)eration Leadership for a Well-Nourished World.
2022 -	Member, Lancet Palestinian Health Alliance Coordinating Committee.
2021 -	Member, International Advisory Board of the Centre de Recherche en Santé Publique, Université de Montreal.
2018 -	Member, Lancet Palestinian Health Alliance Steering Group.
2005 –	Ad-hoc peer reviewer for Journal of Adolescent Health, PLoS Medicine, Journal of Nutrition, Public Health Nutrition, American Journal of Human Biology, Tropical Medicine and International Health, and Public Health.
2022	Member, Agriculture, Nutrition and Health (ANH) Academy Week Scientific Committee
2015 – 2022	Advisor to the United Nations Relief and Works Agency for Palestine refugees (UNRWA) Canteen Task force aiming to improve food environments of UNRWA schools.
2019 - 2022	Member, Arab Council for Social Sciences Dataverse Advisory Committee.
2019 - 2021	Member, Household Water Insecurity (HWISE)-Research Coordination Network Steering Committee
2017 - 2018	Member, Research and Documentation team of the AUB-Lancet Commission on Syria.

- 12/2017 Presented on “Lessons learned from applying FIES in Lebanon and the region”, Food Insecurity Experience Scale (FIES) Consultation meeting, FAO and Ministry of Agriculture.
- 11/2017 Moderator, Lebanese Epidemiological Association 22nd Annual Conference “Eating Healthy and Staying Healthy”, Beirut.
- 07/2017 Presented on “Palestinian Refugees, Palestinian Refugees from Syria and Syrian Refugees living in Lebanon; A National Multiple Overlapping Deprivation Analysis (N-MODA)”, UNICEF and Ministry of Social Affairs.
- 06/2017 Co-organiser of an international conference: “No one left behind; A feasible goal for the health-related Sustainable Development Goals in the Arab region?”, Beirut, June 2017.
- 12/2016 Member of the Scientific Committee a regional conference on Adolescent and youth wellbeing in the Arab region: Challenges and promises of the second decade of life, American University of Beirut. Co-organiser of the post-conference workshop on Engaging Youth through Digital Solutions.
- 04/2015 Co-organised a regional workshop on the Use of Digital Solutions in Public Health, Faculty of Health Sciences, American University of Beirut, & co-founded the Arab Digital Public Health Initiative.
- 03/2015 Co-organised a regional workshop Social Determinants of Unhealthy Weight at the International Conference on Health Issues in Arab Communities, Oman.
- 2004-2014 Managing Editor of Emerging Themes in Epidemiology, a BioMed Central, online, open access journal. <http://www.ete-online.com/>
- 10/2014 Co-organised a regional workshop on The health and wellbeing of Arab youth: A regional research workshop examining health risks and resilience of young people in the Arab world, Faculty of Health Sciences, American University of Beirut.
- 2010-2013 Organiser of a yearly two-week Regional Training course on Nutrition in Emergencies, American University of Beirut.
<http://www.nietraining.net/p/project-background.html>
- 11/2012 Advised on the text of a Joint Statement on Optimal Infant and Young Child Feeding in Emergencies in Lebanon, and obtained AUB endorsement for the statement
- 07/2011 Member of the organizing committee for the Regional conference on "Food Security in the Middle East and North Africa: The Role of Academic and Research Institutions".
- 03/2010 Co-organised a consultation workshop on Rural Poverty in the Middle East for IFAD's Rural Poverty Report, Beirut.
- 04/2007 Co-organised a workshop entitled "Defining the research priorities for the prevention of anaemia in malaria-endemic countries" for young investigators at the Micronutrient Forum, Istanbul.

2006 Co-edited for the Journal of Nutrition the proceedings of the International Nutrition Council symposium on 'Micronutrient Regulation of Host-Pathogen Interactions' held at the annual meeting of Experimental Biology.

CONSULTANCIES

- January – July 2020 **UNICEF, MENA Regional Office, Jordan**
Trends in complementary feeding indicators and their determinants – a sub-regional analysis
Technical expert
- February – March 2019 **Food and Agriculture Organisation (FAO) Regional Office, Cairo**
Report on Re-shaping food systems to deliver improved diets and nutrition in the Near East and North Africa
Developed a conceptual framework and led the desk review and report writing
- March – December 2016 **UNICEF, Jordan**
Evaluation of the Infant and Young Child Feeding (IYCF) Program in Camp and Host Communities in Jordan
Nutrition expert and advisor on evaluation methodology
- March – April 2016 **UN Economic and Social Commission for Western Asia (UN ESCWA) and World Food Programme (WFP), Lebanon**
Advisor for the Strategic Review of Food and Nutrition Security in Lebanon
- February 2016– May 2018 **Theirworld, UK**
Nutritional status assessment of schoolchildren for a pilot school feeding intervention in two Lebanese public schools.
Designed a study to assess baseline characteristics of children attending two public schools, trained a field team in the implementation of the study and supervised data analysis and interpretation.
- December 2015 – January 2016 **Office of the United Nations High Commissioner for Refugees, Lebanon**
Refugee household profiling.
Led data analysis on data from the Vulnerability Assessment of Syrian Refugees (VASyr) survey, and wrote two fact sheets (Food Security, and Health) summarising cross sector associations.
- September – December 2015 **World Food Programme (WFP), Lebanon**
Analysis and Refinement of Targeting Mechanisms for Food Assistance to Syrian Refugees in Lebanon.
Part of a team that reviewed the targeting mechanisms for electronic food vouchers distribution to Syrian refugees, and refined the targeting formula using empirical analyses of registration and survey data.
- June 2015 & June 2016 **Nutrition in Emergencies Regional Training Initiative**
Trainer and organizer of the Emergency Simulation as part of the Nutrition in Emergencies short course.
- August 2013 – August 2015 **International Orthodox Christian Charities (IOCC), Lebanon**
Training on the Management of Acute Malnutrition for Lebanese healthcare workers (CMAM and Inpatient management of complicated SAM).
Part of a team that worked on designing and delivering a series of workshops in Arabic on the management of malnutrition in the context of the Syrian refugee crisis in Lebanon.

- February – April 2014 **Food and Agricultural Organisation (FAO), Rome**
Finalization of the Food Insecurity Experience Scale version in Arabic, Voices of the Hungry project.
Used qualitative data from my research to inform the Arabic language adaptation of the FIES, and recommended wording for the final Arabic FIES questions.
- December 2012 **International Medical Corps (IMC), Lebanon**
Nutrition in Emergencies training for health and nutrition care providers for Syrian refugees in Jordan.
- May – June 2012 **International Orthodox Christian Charities (IOCC), Lebanon**
Contributed to two Nutrition in Emergencies training courses for primary health care workers in response to the Syrian IDP and refugee situation.
- 2000 – 2001 **Action Against Hunger, UK**
Translation of training materials for Nutrition in Emergencies from French to English.
